Summary

The purpose of this report is to note the new members of Youth Advisory Council Committee (YAC) as part of the recent nominations to fill six vacant positions on the Committee.

Executive Recommendation

That the Youth Advisory Council Committee note the appointment of the following six applicants to the Youth Advisory Council Committee:

- Luka Coulson
- Carl McIntyre
- Hannah Moyle
- Teagan Pesce
- Casey Sutton
- Lillian Wilson

Voting Requirement: Simple Majority

Strategic Relevance

Theme 1 Our community and culture
Goal A safe, healthy and cohesive community, with a rich cultural life, and supportive social environment
Objective 1.6 A community that provides for the particular needs of the young and the old

Regional Impact Statement

The Youth Advisory Council Committee comprises of members from the Greater Bunbury region to represent surrounding shires of Capel, Dardanup and Harvey.

Background

Following the resignation of two Youth Advisory Council Committee (YAC) members earlier this year, advertising for the vacant positions was undertaken from 25 May to 18 June. Four positions were left vacant upon appointment of the new Committee at the last Council election period in October 2019 and therefore the six vacant positions were advertised.

Applications were open to young people aged 12 to 25 years residing in the Greater Bunbury region.

Council Policy Compliance

Not applicable

Legislative Compliance

Local Government Act 1995

Officer Comments

Thirteen nominations were received for the vacant positions, and all nominees would have been positive additions to the YAC Committee. Nominations were received via the City's online platform, SmartyGrants. Advertising of the nominations was conducted through social media, media release, billboards, email databases and the City Focus.

Recognising that young people communicate through multiple mediums, we provided the opportunity to showcase creativity and artistic flair in the application process. Nominees were able to upload a file such a video or piece of art to present the application information their own unique way. Applications are still required to be submitted in full and answer the questions in some format. This format was utilised as part of the process.

The successful applicants will be an asset to the current committee based on their prior experience, passions and skill sets.

The unsuccessful applicants will be invited to participate in a youth working group to ensure these interested young people remain engaged with the City's activities. The City is going to reintroduce the structure of a working group as a trial due to the high demand and interest from young people in the Greater Bunbury region. This group will be informal, offering more flexibility to members and be action-orientated compared to the more strategic YAC Committee of Council. Both groups will work in unison to deliver outcomes for the Bunbury community. The development of the working group structure, purpose and outcomes will be done in consultation with YAC members.
