GILES, Wendy

I have lived and worked in Bunbury for over 10 years and am passionate about the City and its future. I have always been an Educator, and currently work with vulnerable people. I am also involved in many community groups. A previous Councillor, I know what it takes to represent the ratepayers' views and will strive to be a voice for common sense and evidence-based decision making.

I am a strong and vocal supporter of

- the Arts;
- better maintained parks and public areas, including the replacement of old and defaced signage;
- a more efficient train service;
- inclusion of vulnerable people in the community;
- basic services such as footpaths, roads and security becoming a priority;
- communication with ratepayers
- improving tourism sites such as Boulter's Heights, Big Swamp and the Maidens;
- and activating youth areas.

Bunbury needs to optimise its natural features and strengths by targeting these areas in its budget.
