Regional Impact Statement

The Youth Precinct will become a destination park that will be a drawcard for locals and tourists alike, offering a central location for young people to socialise and interact with other young people in the Bunbury Geographe region.

The community engagement process was open to all potential users including residents outside of the City Bunbury and in particular those of the surrounding Shires of Harvey, Dardanup and Capel.

Background

The Youth Advisory Council Committee was appointed as the Steering Committee for the community engagement portion of the Youth Precinct project at the 16 April 2019 Ordinary Council Meeting (Council Decision 034/19). At this meeting; and as part of the same Council Decision; Council endorsed Lot 681 (commonly referred to as Luciana Park) as the preferred site for a new Youth Precinct in Bunbury.

Following a request for quote process, Playce Pty Ltd were appointed as the concept design and community engagement consultants in mid-August 2019. Playce is an award-winning company specialising in creating fun and inclusive spaces for people of all ages, boasting a long list of unique skateparks, play spaces and youth precincts that have been designed and delivered across Australia.

Extensive community engagement was undertaken by Playce in regards to the design process with significant public input obtained as outlined in the Community Engagement Summary for Bunbury Youth Precinct (attached at Appendix 2). The initial community engagement occurred 2 September to 6 September 2019 followed by consultation around the draft design on 16 October 2019.

Officer Comments

The Youth Precinct Concept Design (attached at Appendix 1) was developed by Playce after extensive community engagement. The initial consultation was co-designed with the Youth Advisory Council Committee and captured almost 600 people through an online survey, high school and primary school visits, pop-ups and workshops (see Community Engagement Summary for Bunbury Youth Precinct as attached at Appendix 2). Key stakeholder groups including Bunbury Needs a New Skatepark Committee and the Co-Design Access Panel were considered as part of this consultation.

Playce then used this information to develop a draft concept design, which they presented to the community on 16 October 2019 through two workshops, an online survey and pop-up displays. For further information please see Community Engagement Summary for Bunbury Youth Precinct Concept Design (attached at Appendix 3).

The City has had preliminary discussions with Lotterywest regarding a grant to fund the construction stage of the Youth Precinct. Lotterywest have advised that they support an application being submitted. The City will submit an application in January 2020. Lotterywest advise that the grant process takes approximately three months; by lodging the grant application in January the City will know if it has been successful prior to 2020/2021 year, when the tender for construction will be issued.

Upon endorsement of the final concept design, City officers will commence the tender process for the detailed design of the Youth Precinct.

Analysis of Financial and Budget Implications

\$50,000 is allocated in Council's 2018/19 budget for PR-4603 Implement planning and community consultation for a proposed new skate park.

\$500,000 is allocated in Council's 2019/20 budget for PR-4786 Detailed design, contract documentation and construction of Youth Precinct.

The Youth Precinct is listed for construction in 2020/2021 PR-4786 Detailed design, contract documentation and construction. The budget for the construction is \$5,000,000 with the City contributing \$3,000,000 and obtaining grant funding of \$1,500,000.

An estimated cost breakdown has been developed by Playce (attached at Appendix 5).

Community Consultation

Community consultation was undertaken in September and October 2019 as outlined in the Youth Precinct Community Engagement and Program (attached at Appendix 4). A summary of the community engagement has been provided by Playce (attached at Appendix 2).

Councillor/Officer Consultation

The Executive Leadership Team, People & Place Team and Strategic Planning and Urban Design Team are aware of this report. Multiple Councillors attended the range of community consultation opportunities on offer throughout the process.

A Youth Precinct Working Group made up of City officers have participated in engagement and consultation sessions with appointed contractors, Playce, throughout the duration of the project to date.
