2. Recommend to Council that the name be adopted as the name for the Youth Precinct and unveiled at the facility's opening event.

Voting Requirement: Simple Majority

Strategic Relevance

Theme 1	Our community and culture.
Goal	A safe, healthy and cohesive community, with a rich cultural life, and supportive social environment.
Objective 1.4	Arts, culture, heritage and events that enrich our understanding and enjoyment of life, celebrate our identity and bring the community together.
Objective 1.6	A community that provides for the particular needs of the young and the old.

Regional Impact Statement

The Youth Precinct will become a destination park and drawcard for locals and tourists alike. The precinct is a central location for young people to socialise and interact with other young people in the Bunbury Geopraphe region. The name uses Noongar language which is the local language of traditional owners.

Background

The YAC was appointed as the Steering Committee for the community engagement portion of the Youth Precinct at the 16 April 2019 Ordinary Council Meeting (Council Decision 034/19), with informal discussions identifying the naming of the Youth Precinct as a key community engagement project.

The Youth Precinct began construction in September 2021 and is anticipated for completion in mid-June 2022.

Council Policy Compliance

Naming Convention Council Policy.

Legislative Compliance

Local Government Act 1995.

Officer Comments

The City developed a community engagement plan (**attached** at Appendix 2) which included identifying key stakeholders and their level of involvement in this project (**attached** at Appendix 3) to ensure the name resonated across all stakeholders and user groups

The process began with research into the history of the area and stories from local Elders as well as identifying the three key stakeholder pillars – youth, skateboarding and Aboriginal community. There was a strong focus on continually looping back to stakeholders and providing meaningful engagement rather than a once-off consultation. This resulted in all stakeholders feeling connected and satisfied with the final name (**attached** at CRUSC-1).

The intention is to reveal the name at ribbon-cutting event (date TBC depending on completion date but estimated for mid-June) accompanied by storytelling about both the history and the engagement process.

The engagement process uncovered significant stories and history of the land, to which the team is hoping to capture and share in the opening events for the precinct. The engagement identified that an area of land within Luciana Park was land named “Didinup”. Elders advised the name of the land was not to be changed and the Youth Precinct name would be an addition to the land name. It was agreed a plaque or sign would be displayed to highlight the traditional name given to the area.

Analysis of Financial and Budget Implications
