Bunbury RoadWise Committee notes the WALGA RoadWise report.

#### Strategic Relevance

Theme 1	Our Community and culture.
Goal	A safe, healthy and cohesive community, with a rich cultural life, and supportive social environment.
Objective 1.1	A community where people are safe and feel safe.

#### Background

The WALGA RoadWise Southwest Region Report is provided as a summary of activities and campaign initiatives underway and ongoing across the southwest of the state. Additionally it reinforces the “Towards Zero” message and provides up to date statistics on fatalities across the state.

#### Officer Comments

For the months of July & August 2018 the WALGA RoadWise undertook the following campaigns across the Southwest:

- South West Careers Expo – Novice Drivers;

- 2018 Local Government Road Safety Awards;
- Safe Speeds in the Shire of Dardanup; and
- City of Mandurah RYDE Program.

The Industry Road Safety Alliance South West collaborated with the City of Bunbury RoadWise Committee to promote road safety messages to novice drivers at the South West Careers Expo in June, with over 2000 young people attending. Young people could take the challenge to answer a road safety question, take a selfie with the M8 the call can W8 photo frame or have a go at the “Snailed It” race.

Nominations for the 2018 Local Government Road Safety Awards are now open. A joint initiative by WALGA’s RoadWise and the Institute of Public Works Engineering Australasia (Western Australia) Inc., the Awards seek to acknowledge outstanding achievements by Local Governments in the area of road safety, and recognise innovation in engineering countermeasures contributing to safe system implementation, along with local road safety partnerships and champions.

The Shire of Dardanup RoadWise Committee loaned the WALGA RoadWise courtesy speed display signs during May which they trialled at a couple of known suburban hot spots for speeding drivers. Two locations with a posted speed limit of 50km/hr were chosen in response to ongoing issues with high speeds in the area. The courtesy speed display signs were programmed to use the happy face if drivers were adhering to the speed limit and a sad face if they were travelling too fast and needed to slow down. News on the Shire of Dardanup Facebook page advised that the signs being used were very positive and generated a great deal of discussion in the community about safe speeds.

Overall the Shire of Dardanup feels the courtesy speed display signs remind drivers to be more aware of the speed they are travelling.

The City of Mandurah recently launched the Regional Youth Driver Education (RYDE) program in partnership with the Peel Volunteer Resource Centre and a wide range of local youth service providers. Mandurah’s young novice drivers who have barriers to accessing a car or an adult to complete their 50 hours of supervised driving experience, can now benefit from this program.

The RYDE program is also being considered for the Bunbury and Busselton areas in the near future. For more information visit [ryde.org.au](http://ryde.org.au)

### Officer Comments

The traffic count data indicates the 85<sup>th</sup> percentile speed and traffic volumes for the road network. Where excessive speeds are identified and there is no engineering solution available to reduce speeds the resultant information is forwarded to Police for enforcement. Counts that have an 85% speed greater than 9km over the speed limit, and where more than 30% of the vehicles are exceeding the speed limit, shall meet the criteria to be forwarded to Police. Refer to attached BRWC2 Traffic Counts – April 2018 – June 2018.
