Unleash the kids these school holidays

Children aged 10 to 17 can get creative, be adventurous or be sporting these school holidays with the City of Bunbury's *Unleashed* program providing a range of fun activities.

On Wednesday, 11 January kids can test their musical talent at a Beatbox and Rap Workshop with participants learning about the vocal looping machine and audio – they can even record a music video.

The Beatbox and Rap Workshop runs from 9am to 12noon at Bunbury City Library and participants will be exposed to an interactive musical experience with Rock N' Roll High in the afternoon.

Fun sporting activities are to the fore on Friday, 13 January with a Youth Olympic Games at Koombana Bay, which includes rafting, volleyball, water trials and relay racing.

The final event will get the heart racing with an Adventure Day being held on Friday, 20 January at Wellington Dam featuring abseiling and rock climbing.

All activities cost just \$25 with lunch provided on all days. Reservations are essential and can be made by visiting www.bunbury.wa.gov.au or phoning 9792 7000.
