Chickens star in school holiday activities

Children can try their luck at guessing the first chicken to hatch at the City of Bunbury Libraries as part of a fun-filled April school holiday program.

Watching the cute feathered friends hatch at Bunbury Library from 5 to 15 April could also bring a prize to anyone who can pick which one emerges from its shell first.

It is just one way the kids can be entertained at the Bunbury and Withers Libraries with a host of free activities catering for a range of interests.

Activities at Bunbury Library include A Goosebumps Experience (13 April at 2pm), Minecraft Creations (15 April at 2pm), Ultimate Nerf Games (four sessions on 20 April), plus Castles and Catapults (22 April at 2pm).

Withers Library also has an array of activities including Paper Planes (12 April), Art That Rocks (14 April), Marble Runs (19 April) and Minecraft Creations (21 April). All sessions will be held at 2pm.

The activities are available for children aged five to 12 and parents are required to accompany their child.

Bookings are essential and can be made by visiting www.bunbury.wa.gov.au/library or contacting the Bunbury Library (9792 7190, bunlib@bunbury.wa.gov.au) and Withers Library (9792 7244, wrslib@bunbury.wa.gov.au).
