## **Love Where You Live Summer Cinema Series continues**

The Love Where You Live Summer Cinema Series continues Friday, 4 March from 5.30pm at Queens Gardens with a free screening of *Guardians of the Galaxy* (Rated M).

All members of the community are invited to stake out a spot with a deck chair or rug and make the most of the opportunity to come out and meet your neighbours, or to visit a park space you haven't before - Love Where You Live is all about bringing life to these shared spaces.

It is more than just a movie event. There will be food vendors, face painting, instant photos and maybe even a visit from a special guest character.

This is the second movie in the series with the first screening on Valentine's Day attracting a crowd of more than 250 people.

The final event will be a screening of the family favourite *Paper Planes* (Rated G) at Maidens Reserve on Friday, 18 March.
