BRAG needs your hair!

The community is invited to donate their hair or the hair of their loved ones to become part of an ongoing hair-weaving project by one of Western Australia's premier contemporary artists, Olga Cironis.

This performance work titled *Mountain of Words* is scheduled to tour throughout Australia and Europe over the next two years. The weaving will grow into a woven hair ribbon of at least 500 meters.

Each weaving session will be filmed and photographed to record the sharing of stories between the artist and the participant during the weaving process and the names of those who have gifted their hair will be collected and archived to be included in a book.

Hair donations can be made to the Bunbury Regional Art Galleries, 64 Wittenoom Street, Bunbury. Please seal a lock of hair, minimum 2cm long, in a paper bag labelled with donor's full name.

If you want to be a part of this performance/art project, please meet Olga at Bunbury Regional Art Galleries between 5 to 9 September during opening hours (10am to 4pm) upstairs in the Archive Room.

Participation in the project is free.
