Dalyellup College student takes out top honours at Iluka Visions

High school student Lucy White was the overall winner at the Iluka Visions exhibition opening on Friday night.

The Dalyellup College student's piece May You Constantly Be Reminded of What You Have Done received the highest praise from the judging panel.

The exhibition features more than 80 of the South West region's top young artists, showcasing the best works across all year levels from 15 high schools. Prizes were awarded in all year levels.

Tiffany Chisholm Gardiner was the recipient of the highly coveted Iluka Prize PICA internship with her work entitled The Challenge to Coexist. Students wishing to apply for this award were also required to submit a written application outlining how this residency would benefit them.

Bunbury Regional Art Galleries Director Julian Bowron said the judges had their work cut out for them as the quality of works was exceptionally high.

"The exhibition presents students with the opportunity to submit their work and have it displayed in the gallery for the next month," Mr Bowron said.

"We were blown away by the calibre of work received and acknowledge the support of Iluka Resources as our major sponsor for the event."

Audiences can view Iluka Visions at BRAG from now until 20 November.

BRAG is open 10am to 4pm daily and entry is free.
