Have your say on the water playground and enjoy a family fun day out

The City of Bunbury is inviting members of the community to come along to a free water playground information day on Saturday, 4 October.

There will be a host of information on offer and staff will be on hand to answer any questions regarding the proposed playground.

Children are also welcome to attend and have their say by voting for their favourite water playground equipment.

Adults can have their say too by filling out a survey which will be available on the day or by leaving a suggestion in the suggestions box.

City of Bunbury Mayor Gary Brennan encouraged the community to attend as the consultation period will be closing on October 12.

“This is the first of four information sessions City staff will be holding over the next two weeks and it presents a great opportunity for community members to ask any questions they may have about the playground,” Mr Brennan said.

“If you want to have your say please attend these sessions and let us know what you think.”

The event will be held from 10am to 2pm at the Accessible Playground located next to the Bunbury Wildlife Park on Prince Philip Drive, Bunbury.

The FUN-Bury Family Fun Day will also take place on Saturday between 10am to 2pm. Families can help raise funds for Hope Warriors and the Telethon Kids Institute by purchasing food, drink and taking part in any of the fun activities on offer such as face painting, bouncy castle, rides and craft activities.

On Monday, 6 October staff will host an information stall at the Bunbury City Library from 10am to 1pm. They will also be at the Withers Community Library on Tuesday, 7 October from 9am to 12pm.

A stall will also be set up as part of the South West Sports Centre Open Day on Sunday, October 12 from 11am to 2pm.
Those unable to attend any of the information sessions can still have their say by signing up to the Household Panel via the City of Bunbury website www.bunbury.wa.gov.au
